COLORADO DISCHARGE PERMIT SYSTEM (CDPS)

CDPS PRETREATMENT WASTEWATER DISCHARGE Non-Significant Industrial User - Notification

Applicability: This application is applicable for sources of discharges meeting the definition of a Non-Significant Categorical Industrial User in 5 CCR 1002-63 63.7.FF(3) (see discussion below) to a publically-owned treatment works (POTWs) that does not have an approved pretreatment program from US Environmental Protection Agency (EPA) or Colorado Water Quality Control Division (the Division). If the POTW receiving the discharge does have an approved program from EPA the Division, the non-significant industrial must contact the POTW directly.

An Industrial User subject to categorical Pretreatment Standards under 40 CFR 403.6 and 40 CFR chapter I, subchapter N is a Non-Significant Categorical Industrial User if it **never discharges more than 100 gallons per day (gpd) of total categorical wastewater** (excluding sanitary, non-contact cooling and boiler blowdown wastewater, unless specifically included in the Pretreatment Standard) and the following conditions are met:

- a) The Industrial User has consistently complied with all applicable categorical Pretreatment Standards and Requirements;
- b) The Industrial User annually submits the certification statement required in 40 CFR 403.12(q) together with any additional information necessary to support the certification statement; and
- c) The Industrial User never discharges any untreated concentrated wastewater.

This notification in **not applicable** for sources of discharge subject to categorical Pretreatment Standards under 40 CFR 403.6 and 40 CFR chapter I, subchapter N that **discharges**, **or intends to discharge**, **more than 100 gallons per day (gpd) of total categorical wastewater** (excluding sanitary, non-contact cooling and boiler blowdown wastewater, unless specifically included in the Pretreatment Standard) does not qualify as a Non-Significant Industrial User.

Please print or type. **Original signatures are required**. This notification must be considered complete by the Division prior to initiation of processing. The Division will notify you if additional information is needed to complete the application. If more space is required to answer any question, please attach additional sheets to the application form. Applications must be submitted by mail or hand delivered to:

Colorado Department of Public Health and Environment Water Quality Control Division WQCD-P-B2 4300 Cherry Creek Drive South Denver, Colorado 80246-1530
